

# BIG NIGHT OUT, BIGGER DIFFERENCE

COULD YOU SPEND  
A WINTER'S NIGHT  
SLEEPING OUTSIDE?

Swap your cosy bed for a night under the stars and help us raise money for our Winter Night Shelter, so we can continue to offer South London's homeless warm beds in the coldest of months.

# GREAT THINGS HAPPEN WHEN WE WORK TOGETHER

Organisations can enter teams, with participants fundraising for the event whilst having a great team building experience. Most organisations also put together a match funding scheme to equal the funds raised by their staff, or an additional donation on top!

Depending on the amount, your efforts could be rewarded with special mentions on the night, in our newsletter, or even our annual report.

**Whether you're planning on spending the night, just coming for the evening entertainment - or both - you can help us offer shelter, as well as support in training, accommodation and employment for those who need it most.**

## **A LITTLE MORE ABOUT THE EVENING:**

- There will be an evening of entertainment, including a performance by the South London Jazz Orchestra
- Free hot drinks and snacks will be available for those sleeping out, along with a free hot breakfast in the morning
- The grounds will be patrolled all night long so you can sleep in safety
